PHARMACY & POISONS ACT, 1933

Code Letters used in the body of this List to denote Sales Restrictions in connection with the above mentioned Act—

- P.1 .. Part 1 of the Poisons List.
- P.2 .. Part 2 of the Poisons List.
- D.D. Dangerous Drugs Act and Regulations.
- S.1 .. First Schedule of Poisons Rules.
- S.4 .. Fourth Schedule of Poisons Rules.

The following is a complete list of Packed Goods items which are affected by the Poisons Rules, and which must bear your Shop Address Label when sold.

N.B.—Branch Address Slips must be attached when the goods are being checked—before they are actually put away into stock. If this is not observed the label may be forgotten in the case of a hurried sale.

Ammonia, Clear, Household, Strong
 Ammonia, Wills', Cloudy, Household
 Asthma Remedy, "Regesan"
 Bay Rum and Cantharides
 Carbolic Acid (for Disinfecting)
