Sodium Chlorate

COMPANY ARCHIVES

RESEARCH LIBRARY
R.3 PENNYFOOT STREET

You will have received the letter from the Chief Pharmacy Superintendent concerning the supply of Sodium Chlorate. You were asked to ensure that:

1. **The product is displayed out of the reach of children.**
2. **All staff who at any time may be involved in the sales of the material must be aware that it is not to be sold to anyone who appears to be under the age of eighteen.**

Self-adhesive labels bearing the wording 'SHOULD NOT BE SOLD TO PERSONS UNDER EIGHTEEN YEARS OF AGE' are enclosed with this announcement. They should be affixed to the lids of your existing branch stock as shown in the photograph. The purpose of these labels is to remind staff of the requirement at the time of sale. The labels will be affixed to the warehouse stock at Beeston. Hence, future deliveries of Chlorate will carry the warning.
