

## FOUND ITS VIEW AGAIN

Pictures by ANN WARD

Now the great trees and broad expanse of water are unobscured again.

---

slope behind it. (100000)

"It's easy enough in a small garden, but not on this scale. Even in the old days with everyone at it, and with Sir Henry himself coming round on horseback to help, it was a long job."

## Placed

Even in the tiniest garden a few well-placed shrubs—try, for example, the heavenly-scented *Viburnum Juddii*, one of Mr. Marshall's favourites
