

# NO WEEDS FOR 12 MONTHS

At last—a path weedkiller  
that is simple,  
safe and long-lasting

**NEW FISONS WEEDEX** clears paths, drives and all uncultivated ground of weeds and grass for at least a year—twice as long as normal.

Weedex will not leach, so it may safely be used on paths near trees and flower-beds. Weedex is safe to handle, non-poisonous and harmless to children, pets and poultry. Weedex is non-inflammable and non-corrosive. Weedex is economical—12 months' freedom from weeds costs you 2/- a sachet: 4-sachet pack 7/6, carton 17/6.

CONTAINS  **SIMAZINE**
