

SODA GOES MODERN!

**Fill your Sparklets Syphon with water
... add a little bicarbonate of soda**

Screw in your Sparklets bulbs ... and there you are. Fresh, tingling soda!

Soda's in fashion. It crispens up drinks, adds snap to parties. Get a double capacity Globemaster and let it add sparkle to yours. Drinks go further with soda and it's half the price with a Sparklets Syphon. Forget that clutter of empties, make party whoopee the modern way!
