## Electricity in the Home

Development and Requirements Warning of Wireless Dangers

The Conference of the Incorporated Municipal Engineers' Association, at Bath, yesterday, heard and discussed papers on Domestic Electrification at what was appropriately termed "Woman's Day."

On the question of wireless, warning was given of the dangers of handling radio equipment in close proximity to apparatus connected to a public supply system, emphasis being given to the need of safety methods, some of which were indicated.

CONVENTION DINNER

Thawpit fights grease as soap fights dirt. Every hour there is some work for it to do about the home. There's the silver, the carpets, the wallpaper, the If it's not one thing, it's another. Wherever there's a grease spot, dab on Thawpit. It's the modern magic. Don't wait for the accident—keep Thawpit in the house always. It's and 22 per bottle. and in 44 sign 1'6 and 2'3 per bottle, and in 4'- tins. @
